Dear Supervisors:

REQUEST TO APPROVE AMENDMENT NUMBER ONE TO EXTEND FOURTEEN (14) EDUCATION CONSULTANT SERVICES CONTRACTS (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Approve the use of two Form Amendments Number One to extend the contract term of fourteen (14) Education Consultant Services contracts by six (6) months, effective July 1, 2009 through December 31, 2009, at the total cost of \$504,000, and to delete the provision that requires the education consultants to maintain valid Teaching or Pupil Personnel Services credentials. Delegate authority to the Director of the Department of Children and Family Services (DCFS) to execute the six-month amendments and to extend the contracts for an additional six months, from January 1, 2010 through June 30, 2010, if needed.

IT IS RECOMMENDED THAT YOUR BOARD:

1. PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The education consultant services are essential to the academic success of many dependent children, who are in the custody and care of DCFS and have educational issues. The consultants work on a case-referral basis, advocating with schools and school districts on behalf of these children. This program has proven very effective in helping DCFS' Children Social Workers (CSWs) and caregivers navigate the education system and resolve the children's difficulties at school. Data collected and tabulated from monthly tracking logs show that during FY 2007-08, 4,300 educational issues have been resolved for 2,425 DCFS children. Some of the referrals involved more than one educational issue for the same child. Following is an analysis of the issues: 23.5% (570) involved school enrollment, 22.4% (542) dealt with Individual Education Program (IEP) issues, 22.1% (535) addressed academic challenges (poor grades), 17.4% (421) required Team Decision Making (TDM), 13.1% (318) involved student records, 13% (315) dealt with Special Education issues, and 12.9% (314) involved behavioral concerns.

On February 6, 2007, DCFS informed the Board that it was pursuing the feasibility of establishing permanent County education consultant positions. In January 2009, DCFS decided to continue these positions as a contracted service due to fiscal constraints. The current contracts expire on June 30, 2009. Therefore, DCFS must solicit for new contracts. California Department Social Services contracting policy and regulation Manual Letter OPS 89-01, Section 23-622.2 allows a six month

extension period if it is necessary to complete a solicitation process, which is currently under development.

It is anticipated that the solicitation process will extend beyond December 31, 2009, due to changes in the County's protest policy procedures which affect the length of the contract solicitation process. A request was made to CDSS Contracting and Financial Analysis Bureau to approve a contract extension of six more months, from January 1, 2010 through June 30, 2010. Delegated authority is requested for DCFS Director to execute these amendments, if needed.

Two Form Amendments are necessary to accommodate the two different contract versions that were used for these contracts. The recommended actions will allow DCFS to continue providing these essential education consultant services to the children without interruption.

The Education Consultant Services contract currently requires the consultants to have valid Teaching or Pupil Personnel Services credentials. Because this is a newly formed program, DCFS re-examined this requirement and found that maintaining a valid Teaching or Pupil Personnel Services credential is not necessary to perform the required work. In addition, DCFS found that renewing the credentials will take the consultants away from their contracted duties for classroom work. DCFS has, therefore, decided that it is appropriate to delete this requirement for the remainder of the contract period.

Implementation of Strategic Plan Goals

The requested actions are consistent with the principles of the Countywide Strategic Plan Goal 2: Children, Family and Adult Well-Being.

FISCAL IMPACT

The Maximum Contract Sum for the six-month extension is \$36,000 for each contract, financed with 36 percent (\$12,960) Federal revenue, 33 percent (\$11,880) State revenue, and 31 percent (\$11,160) net County cost (NCC). The total cost for all 14 contracts is \$504,000 for the six months. If the additional six-month extension option is exercised, the total Maximum Contract Sum would be \$1,008,000. Sufficient funding is included in the Department's FY 2009-10 Proposed Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On March 13, 2007, your Board approved contracts with 15 contractors for Education Consultant Services, including two (2) contracts on part-time basis. One (1) full-time contract and one (1) part-time contract were never executed as the

prospective contractors withdrew their offers to provide services. Of the 13 executed contracts, one (1) part-time contract and two (2) full-time contracts were not extended beyond June 30, 2007, due to various contract compliance issues. Another full-time contract was not extended beyond June 30, 2008, due to contract performance issues.

The remaining nine (9) full-time consultants were insufficient to handle issues in all the DCFS offices. On September 23, 2008, your Board approved additional contracts to fill the resultant vacancies through June 30, 2009. Board-delegated authority to the Director of DCFS was used to execute four (4) full-time contracts in October 2008 and two (2) full-time contracts in December 2008. One of the later contracts was made possible using accrued unexpended funds. However, with no unexpended funds available in FY 2009-10, only 14 full time contracts are recommended for the additional six-month extension period. Service responsibilities will be re-distributed among those 14 consultants and the co-located Los Angeles County Office of Education Foster Youth Services staff. This redistribution will cause the least impact on the target population.

Education consultant services include advocacy for, but are not limited to: Assembly Bill 490 (Ensuring Rights and Stability for Foster Youth), Student Study Teams, Special Education, Individual Education Plans, California High School Exit Exam requirements and preparation, school enrollment and attendance, proper and complete accumulation of school records and transcripts, due process regarding suspension and expulsion, student rights under the education system, access to remedial and enrichment education resources and services, social development, and early education programs.

CONTRACTING PROCESS

No additional contracting process is required for this contract extension amendment.

IMPACT ON CURRENT SERVICES

The requested actions will allow the current and future program participants and their families to continue receiving advocacy services for all educational issues. Otherwise, the children who are most in need of these services will be deprived of them.

CONCLUSION

Upon approval, it is requested that the Executive Officer, Board of Supervisors send a copy of the adopted Board letter and attachments to:
